## Career Objective

A self-motivated individual with a knack for getting things done. Looking to learn, grow and help add value to your esteemed organisation.

## Education

### Bachelor of Engineering

Electronics and Communication Engineering | May 2025

- Velalar College of Engineering and technology
- CGPA:9.35

### HSC

Maths-Computer Science

- SSM Lakshmi Ammal Matriculation Higher Secondary School
- Score:94.60%

### SSLC

Maths-Science

- SSM Lakshmi Ammal Matriculation Higher Secondary School
- Score:96.49%

## Implant Training

- Implant Training on **Python: Basic, OOPS concepts and GUI creation** at **"San Technovation"**.
- Workshop on mobile and laptop service with hands-on-training from 17.10.2022 to 21.10.2022

## Area of interest

- Front end Development

## Technical Proficiency

- Java, C, Python programming
- HTML
- SQL
- Cloud Computing basics

## Certifications

- **Data Analytics with Python**  
A 12-week course on NPTEL with 65%-Elite
- **Principles Of Management**  
A 12-week course on NPTEL with 62%-Elite
- **Application Development using C++**  
Value added course from 24.07.2023 to 31.07.2023

## Awards & Recognitions

- **1<sup>st</sup> prize** in Science Quiz, at **Karpagam College of Engineering and technology**
- **1<sup>st</sup> rank** in the semester examinations conducted during the year 2022-2023

## Paper Presentation

- Presented paper on the topic of **"Augmented Reality"** at **Anna University Regional Campus, Coimbatore**.
- Presented paper at **Kongu College of Engineering and Technology** on the topic of **"6G Technology"**

## Projects

- Project on **"Water Hyacinth Destroyer"**-  
The device collects the water hyacinth plant from the water and it put in the bank by using sensors and programming.

## Civic Engagement

- Rotaract club member (2020-2022)
- Volunteer in the Blood camp held on 12-04-2023
